

I Summarized overview of ODA allocations and disbursements

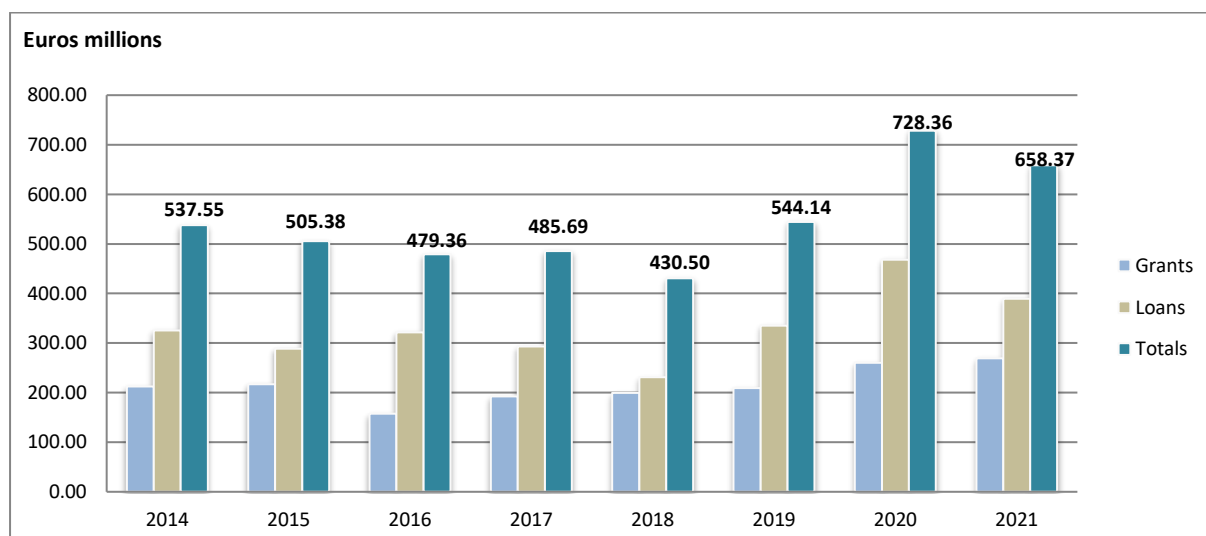

In 2021, total Official Development Assistance (ODA) allocations for Bosnia and Herzegovina amounted to € 561.25 million, out of which € 245.82 million or 43.8% of grant funds, while € 315.43 million or 56.2% of loan funds, which compared to 2020, indicates the decrease of € 580.1 million or 50.8%. (Figure 1.). Significant decrease in the total allocated funds in 2021 compared to 2020 is caused by reduction of allocated loan funds in the amount of € 554.3 million or 63.7%.

Figure 1. Total ODA allocations in the period 2014-2021 in BiH

Total disbursements of ODA funds in 2021 amounted to € 658.37 million, out of which € 269.22 million or 40.9% of grant funds and € 389.14 million or 59.1% of loan funds, indicating the decrease if compared to the previous period. If compared to 2020, the decrease in total ODA disbursements amounts to € 70.0 million or 9.6%. The decrease was caused by reduction of disbursed loans for € 79.2 million or 16.9%, which could be the result of the dynamics of loan disbursements signed in previous years. (Figure 2.) At the same time, there was an increase in disbursed grant funds by € 9.2 million or 3.5% which reduces the decrease in total disbursed funds if compared to 2020.

Figure 2. Total ODA disbursements in the period 2014-2021 in BiH

Comparison of total allocated and disbursed ODA funds in BiH for the period 2014-2021 is presented in the Figure 3.

Figure 3. Total allocated and disbursed ODA in the period 2014-2021 in BiH

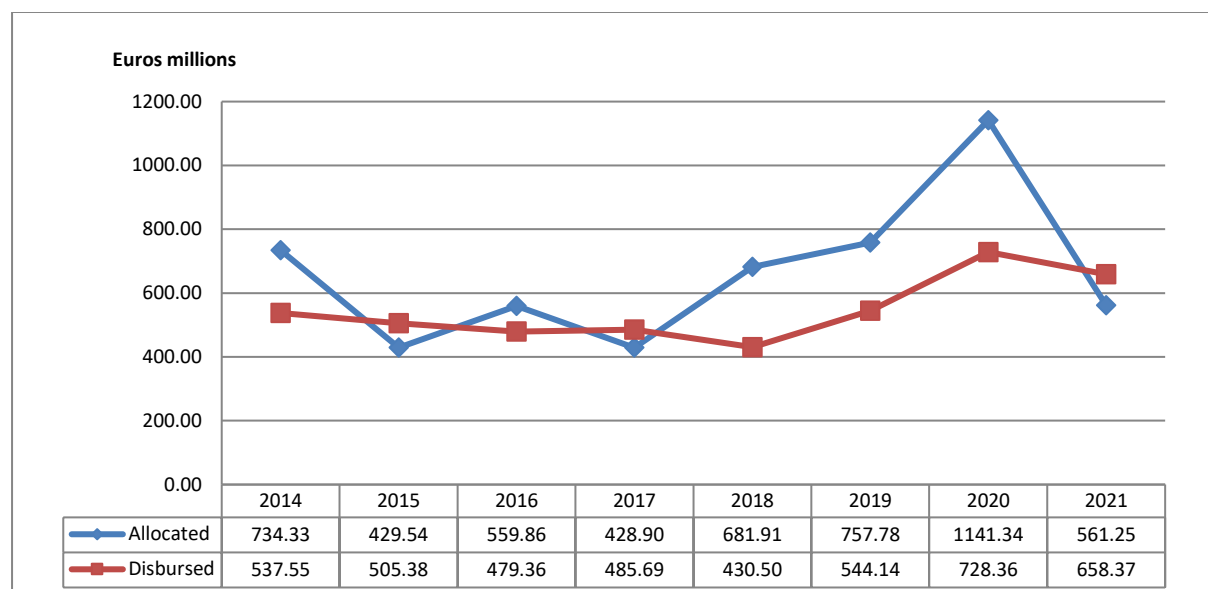

Figure 4. presents the participation ratio of bilateral and multilateral development partners in total ODA allocations, for the period 2014 – 2021. Out of total ODA allocations in 2021, in the amount of € 561.25 million, bilateral development partners allocated € 152.12 million or 27%, while multilateral development partners allocated € 409.13 million or 73%.

Figure 4. Participation of bilateral and multilateral development partners in total ODA allocations per years

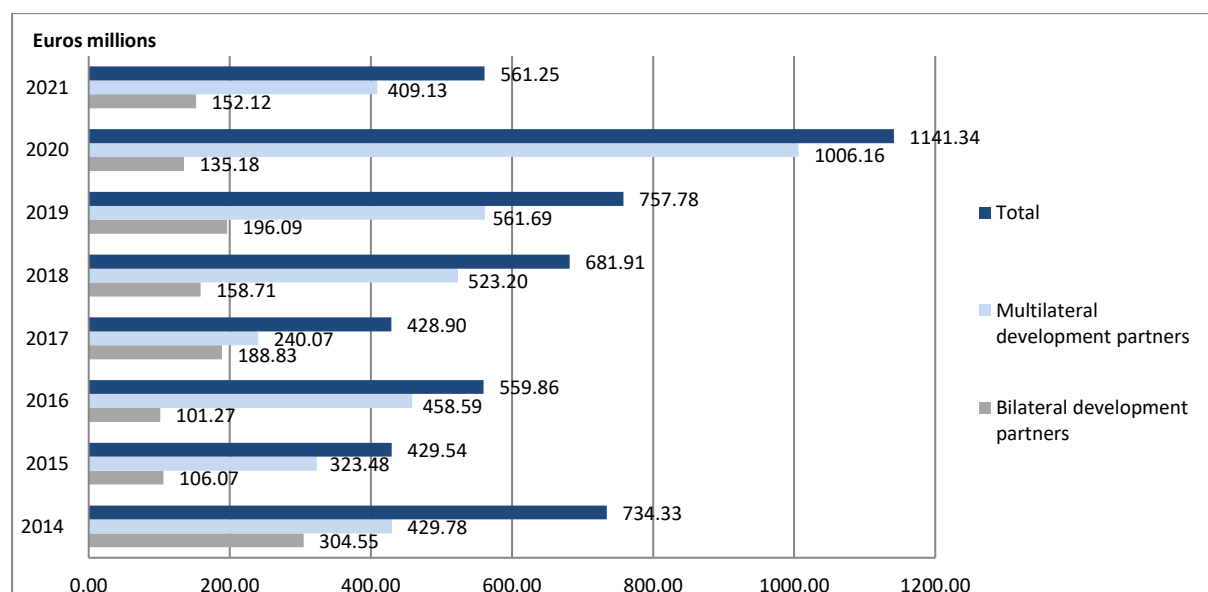

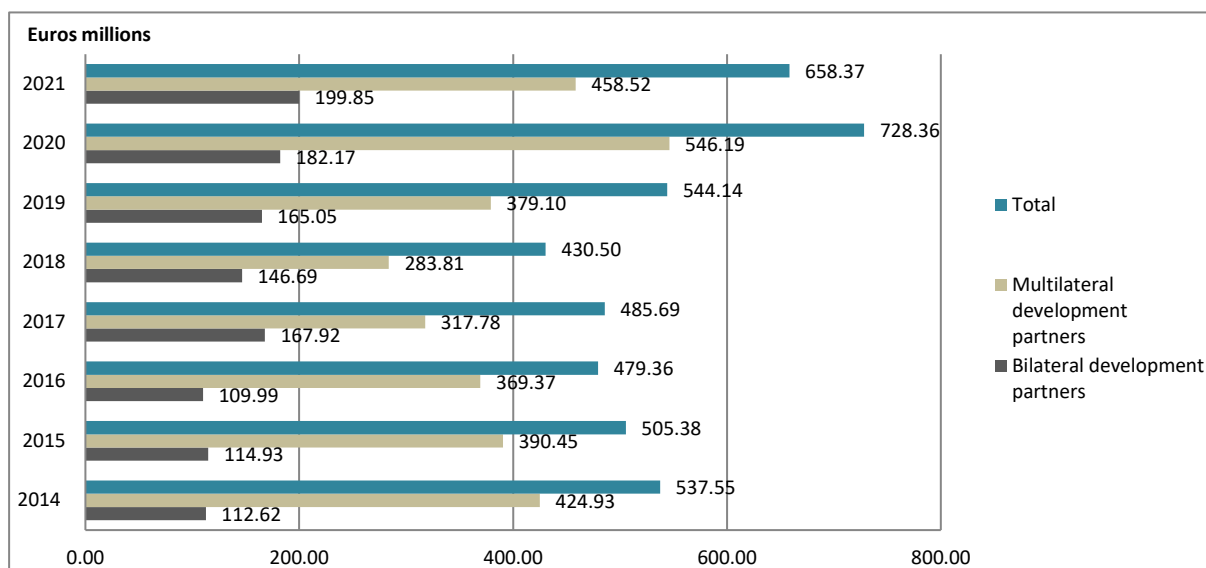

Figure 5. Participation of bilateral and multilateral development partners in total ODA disbursements per years

Participation ratio of bilateral and multilateral development partners in total ODA disbursements per years for the period 2014 – 2021 is similar to the ratio of ODA allocations, presented in Figure 4. Out of total ODA disbursements, multilateral development partners participated with 70%, while bilateral development partners with 30%.

II Overview of allocated and disbursed grants and loans per development partners

In 2021, total grant funds of € 245.82 million were allocated and € 269.22 million were disbursed. Figures 6. and 7. present allocated and disbursed grant funds by development partners, according to the amount of the invested funds. Leading development partners in 2021, who allocated i.e. disbursed largest amounts were the EU, USA/USAID, Switzerland, Sweden and UN.
