\*Currency rate foR EUR (1 USD= 0.7787 EUR, 1 NOK=0.11782641 EUR, 1 CAD=0.699265 EUR). The Rate of Exchange for the current year is based on the estimated average of the monthly UN Operational Rates of Exchange from the previous year.

**Glossary:**

**Allocated Funds** – Allocated implies terms “Planned, Committed, Contracted”. For most types of financial flows, the face value of the activity at the date a grant or loan agreement is signed with the recipient, regardless of when disbursements are expected.

**Disbursed Funds** – The term “Disbursed” implies the terms “Paid, Spent”. A disbursement is the placement of Funds at the disposal of a recipient country or agency. It can take several years to disburse a commitment. Disbursement records the actual international transfer of financial Funds, or of goods or services valued at the cost of the donor. Disbursed Funds means entered actual amount of the released funds in the year when project/program is implemented.
